Introduction

On December 23, 2004, President George W. Bush signed the Federal Employees Dental and Vision Benefits Enhancement Act of 2004 (Public Law 108-496). The law directed the Office of Personnel Management (OPM) to establish supplemental dental and vision benefit programs to be made available to Federal employees, annuitants, and their eligible family members. In response to the legislation, OPM established the Federal Employees Dental and Vision Insurance Program (FEDVIP). OPM has contracted with dental and vision insurers to offer an array of choices to Federal employees and annuitants. Section 715 of the National Defense Authorization Act for Fiscal Year 2017 (FY 2017 NDAA), Public Law 114-38, expanded FEDVIP eligibility to certain TRICARE-eligible individuals.

This brochure describes the benefits of the United Concordia FEDVIP under United Concordia's contract OPM02-FEDVIP-02AP-14 with OPM, as authorized by the FEDVIP law. The address for our administrative office is:

United Concordia Companies, Inc.

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your benefits. You and your family members do not have a right to benefits that were available before January 1, 2026, unless those benefits are also shown in this brochure.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self Plus One, you and your designated family member are entitled to these benefits. If you are enrolled in Self and Family coverage, each of your eligible family members is also entitled to these benefits, if they are also listed on the coverage.

OPM negotiates rates with each carrier annually. Rates are shown at the end of this brochure.

United Concordia Companies, Inc. is responsible for the selection of in-network providers in your area. You may find a Federal Dental Program Network participating provider by visiting our website at www.uccifedvip.com, or you may contact us at 1-877-394-8224 for the names of participating providers or to request a provider directory. Continued participation of any specific provider cannot be guaranteed. Thus, you should choose your plan based on the benefits provided and not on a specific provider's participation. When you phone your dental office for an appointment, please remember to verify that the provider is currently in-network. If your provider is not currently participating in the provider network, you may nominate the dentist. Nomination forms are available on our website www.uccifedvip.com. Just click on **Find a Dentist**, then **Recommend a Dentist**, or call us at 1-877-394-8224 and we will send a form to you. **You cannot change plans outside of open season because of changes to the provider network.**

Provider networks may be more extensive in some areas than others. We cannot guarantee the availability of every specialty in all areas. If you require the services of a specialist and one is not available in your area, please contact us for assistance.

United Concordia and all other FEDVIP plans are not a part of the Federal Employees Health Benefits (FEHB) Program / Postal Service Health Benefits (PSHB) Program.

We want you to know that protecting the confidentiality of your individually identifiable health information is of the utmost importance to us. To review full details about our privacy practices, our legal duties, and your rights, please visit our website, www.uccifedvip.com then click on the "Privacy" link at the bottom of the page. If you do not have access to the internet or would like further information, please contact us by calling 1-877-394-8224.

Discrimination is Against the Law

United Concordia complies with all applicable Federal civil rights laws, to include both Title VII of the Civil Rights Act of 1964 and Section 1557 of the Affordable Care Act. Pursuant to Section 1557, United Concordia does not discriminate, exclude people, or treat them differently on the basis of race, color, national origin, age, disability, or sex.

How We Have Changed for 2026

How we have changed for 2026:

Standard Option Plan

- Decreasing the annual maximum from \$1500 to \$1,000
- Decreasing the lifetime orthodontia maximum from \$2000 to \$1,500*

*Note - United Concordia Dental members in an active orthodontic treatment plan before January 1, 2026, will retain their existing 2025 orthodontia lifetime maximum benefit, even if treatment continues into 2026.

High and Standard Options:

- The College Tuition Benefit (CTB) value-add is being removed. FEDVIP members currently registered in the CTB program will retain their earned points, but will stop accumulating new points as of January 1, 2026

- Added CDT codes:

- D0426 Collection, preparation, and analysis of saliva sample – point-of-care
- D0461 Testing for cracked tooth
- D6049 Scaling and debridement of a single implant in the presence of peri-implantitis inflammation, bleeding upon probing and increased pocket depths, including cleaning of the implant surfaces, without flap entry and closure
- D6196 Removal of an indirect restoration on an implant retained abutment
- D6280 Implant maintenance procedures when a full arch removable implant/abutment supported denture is removed and reinserted, including cleansing of prosthesis and abutments – per arch
- D9224 Administration of general anesthesia with advanced airway – first 15 minute increment, or any portion thereof
- D9225 Administration of general anesthesia with advanced airway – each subsequent 15 minute increment, or any portion thereof
- D9244 In-office administration of minimal sedation – single drug – enteral
- D9245 Administration of moderate sedation – enteral
- D9246 Administration of moderate sedation – non-intravenous parenteral – first 15 minute increment, or any portion thereof
- D9247 Administration of moderate sedation – non-intravenous parenteral – each subsequent 15 minute increment, or any portion thereof

FEDVIP Program Highlights

A Choice of Plans and Options	You can select from several nationwide, and in some areas, regional dental Preferred Provider Organization (PPO) or Health Maintenance Organization (HMO) plans, and High and Standard coverage options. You can also select from several nationwide vision plans. You may enroll in a dental plan or a vision plan, or both. Some TRICARE beneficiaries may not be eligible to enroll in both. Visit www.opm.gov/dental or www.opm.gov/vision for more information.
Enroll Through BENEFEDES	You enroll online at www.BENEFEDES.gov . Please see Section 2, Enrollment, for more information.
Dual Enrollment	If you or one of your family members is enrolled in or covered by one FEDVIP plan, that person cannot be enrolled in or covered as a family member by another FEDVIP plan offering the same type of coverage; i.e., you (or covered family members) cannot be covered by two FEDVIP dental plans or two FEDVIP vision plans.
Coverage Effective Date	If you sign up for a dental and/or vision plan during the 2025 Open Season, your coverage begins on January 1, 2026. Premium deductions start with the first full pay period beginning on/after January 1, 2026. You may use your benefits as soon as your enrollment is confirmed.
Pre-Tax Salary Deduction for Employees	Employees automatically pay premiums through payroll deductions using pre-tax dollars. Annuitants automatically pay premiums through annuity deductions using post-tax dollars. TRICARE enrollees automatically pay premiums through payroll deduction or automatic bank withdrawal (ABW) using post-tax dollars.
Annual Enrollment Opportunity	Each year, an open season will be held, during which you may enroll or change your dental and/or vision plan enrollment. This year, open season runs from November 10, 2025 through midnight EST December 8, 2025. You do not need to re-enroll each open season unless you wish to change plans or plan options; your coverage will continue from the previous year. In addition to the annual open season, there are certain events that allow you to make specific types of enrollment changes throughout the year. Please see Section 2, Enrollment, for more information.
Continued Group Coverage After Retirement	Your enrollment or your eligibility to enroll may continue after retirement. You do not need to be enrolled in FEDVIP for any length of time to continue enrollment into retirement. Your family members may also be able to continue enrollment after your death. Please see Section 1, Eligibility, for more information.
Compliance with the American Dental Association (ADA)	FEDVIP abides by the Current Dental Terminology (CDT) codification system in accordance with standards set by the American Dental Association (ADA). <i>Current Dental Terminology (CDT)</i>, Copyright © American Dental Association. Section 1 Eligibility

Federal Employees If you are a Federal or U.S. Postal Service employee, you are eligible to enroll in FEDVIP if you are eligible for the Federal Employees Health Benefits (FEHB) Program, the Postal Service Health Benefits (PSHB) Program, or the Health Insurance Marketplace (Exchange) and your position is not excluded by law or regulation. Enrollment in the FEHB Program, PSHB Program, or a Health Insurance Marketplace (Exchange) plan is not required.

Temporary / Seasonal Employees Certain temporary, intermittent, and seasonal Federal and U.S. Postal Service employees are eligible to enroll in FEDVIP. To be eligible, these employees must be expected to work 130 hours per calendar month for at least 90 days. In addition, certain firefighters hired under a temporary appointment and intermittent emergency response personnel are eligible to enroll in FEDVIP. The employing agency must determine and notify these employees of their eligibility.

Federal Annuitants You are eligible to enroll if you:

- retired on an immediate annuity under the Civil Service Retirement System (CSRS), the Federal Employees Retirement System (FERS) or another retirement system for employees of the Federal Government;
- retired for disability under CSRS, FERS, or another retirement system for employees of the Federal Government.

Your FEDVIP enrollment will continue into retirement if you retire on an immediate annuity or for disability under CSRS, FERS or another retirement system for employees of the Government, regardless of the length of time you had FEDVIP coverage as an employee. There is no requirement to have coverage for 5 years of service prior to retirement in order to continue coverage into retirement, as there is with the FEHB/PSHB Program.

Your FEDVIP coverage ends if you retire on a Minimum Retirement Age (MRA) + 10 retirement and postpone receipt of your annuity. You may enroll in FEDVIP again when you begin to receive your annuity.

Survivor Annuitants If you are a survivor of a deceased Federal/U.S. Postal Service employee or annuitant and you are receiving an annuity, you may enroll or continue the existing enrollment.

Compensationers A compensationer is someone receiving monthly compensation from the Department of Labor's Office of Workers' Compensation Programs (OWCP) due to an on-the-job injury/illness who is determined by the Secretary of Labor to be unable to return to duty. You are eligible to enroll in FEDVIP or continue FEDVIP enrollment into compensation status.

TRICARE-eligible individual An individual who is eligible for FEDVIP dental coverage based on the individual's eligibility to previously be covered under the TRICARE Retiree Dental Program or an individual eligible for FEDVIP vision coverage based on the individual's enrollment in a specified TRICARE health plan.

Retired members of uniformed services and National Guard/Reserve components, including "gray-area" retirees under age 60 and their families are eligible for FEDVIP dental coverage. These individuals, if enrolled in a TRICARE health plan, are also eligible for FEDVIP vision coverage. In addition, uniformed services active duty family members who are enrolled in a TRICARE health plan are eligible for FEDVIP vision coverage.

Family Members

Except with respect to TRICARE-eligible individuals, family members include your spouse and unmarried dependent children under age 22. This includes legally adopted children and recognized natural children who meet certain dependency requirements. This also includes stepchildren and foster children who live with you in a regular parent-child relationship. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support. FEDVIP rules and FEHB/PSHB rules for family member eligibility are **NOT** the same. For more information on family member eligibility visit the website at www.opm.gov/healthcare-insurance/dental-vision/ or contact your employing agency or retirement system.

With respect to TRICARE-eligible individuals, family members include your spouse, unremarried widow, unremarried widower, unmarried child, and certain unmarried persons placed in your legal custody by a court. Children include legally adopted children, stepchildren, and pre-adoptive children. Children and dependent unmarried persons must be under age 21 if they are not a student, under age 23 if they are a full-time student or incapable of self-support because of a mental or physical incapacity.

Not Eligible

The following persons are not eligible to enroll in FEDVIP, regardless of FEHB/PSHB eligibility or receipt of an annuity or portion of an annuity:

- Deferred annuitants
- Former spouses of employees or annuitants. **Note:** Former spouses of TRICARE-eligible individuals may enroll in a FEDVIP vision plan.
- FEHB/PSHB Temporary Continuation of Coverage (TCC) enrollees
- Anyone receiving an insurable interest annuity who is not also an eligible family member
- Active duty uniformed service members. **Note:** If you are an active duty uniformed service member, your dental and vision coverage will be provided by TRICARE. Your family members will still be eligible to enroll in the TRICARE Dental Plan (TDP).
- Temporary/seasonal employees who do not meet the 130 hours per calendar month for 90 days.

Section 2 Enrollment

Enroll Through BENEFEDES

You must use BENEFEDES to enroll or change enrollment in a FEDVIP plan. BENEFEDES is a secure enrollment website (www.BENEFEDES.gov) sponsored by OPM. If you do not have access to a computer, call 1-877-888-FEDS (1-877-888-3337), TTY number: 711, International: 1-571-730-5942 to enroll or change your enrollment.

If you are currently enrolled in FEDVIP and do not want to change plans, **your enrollment will continue automatically. Please Note:** your plans' premiums may change for 2026.

Note: You cannot enroll or change enrollment in a FEDVIP plan using the Health Benefits Election Form (SF 2809) or through an agency self-service system, such as Employee Express, PostalEase, EBIS, MyPay, or Employee Personal Page. However, those sites may provide a link to BENEFEDES.

Enrollment Types

Self Only: A Self Only enrollment covers only you as the enrolled employee or annuitant. You may choose a Self Only enrollment even though you have a family; however, your family members are not covered under FEDVIP.

Self Plus One: A Self Plus One enrollment covers you as the enrolled employee or annuitant plus one eligible family member whom you specify. You may choose a Self Plus One enrollment even though you have additional eligible family members; however, the additional family members are not covered under FEDVIP.

Self and Family: A Self and Family enrollment covers you as the enrolled employee or annuitant and all of your eligible family members. You must list all eligible family members when enrolling.

Dual Enrollment

If you or one of your family members is enrolled in or covered by one FEDVIP plan, that person cannot be enrolled in or covered as a family member by another FEDVIP plan offering the same type of coverage; i.e., you (or covered family members) cannot be covered by two FEDVIP dental plans or two FEDVIP vision plans.

Opportunities to Enroll or Change Enrollment

Open Season

If you are an eligible employee, annuitant, or TRICARE-eligible individual, you may enroll in a dental and/or vision plan during the November 10, 2025 through midnight EST, December 8, 2025 Open Season. Coverage is effective January 1, 2026.

During future annual open seasons, you may enroll in a plan or change or cancel your dental and/or vision coverage. The effective date of these open season enrollments and changes will be set by OPM. **If you want to continue your current enrollment, do nothing. Your enrollment carries over from year to year, unless you change it.**

New hire/Newly eligible

You may enroll within 60 days after you become eligible as:

- a new employee;
- a previously ineligible employee who transferred to a covered position;
- a survivor annuitant if not already covered under FEDVIP;
- an employee returning to service following a break in service of at least 31 days;
- a TRICARE-eligible individual

Your enrollment will be effective the first day of the pay period following the one in which BENEFEDES receives and confirms your enrollment.

Qualifying Life Event

A qualifying life event (QLE) is an event that allows you to enroll or change your enrollment outside of an open season.

The following chart lists the QLEs and the enrollment actions you may take:

Qualifying Life Event: Marriage

From Not Enrolled to Enrolled: Yes
Increase Enrollment Type: Yes
Decrease Enrollment Type: No
Cancel: No

Change from One Plan to Another: No

Qualifying Life Event: Transferring to an eligible position*

From Not Enrolled to Enrolled: No
Increase Enrollment Type: No
Decrease Enrollment Type: No
Cancel: Yes
Change from One Plan to Another: No

*Position must be in a Federal agency that provides dental and/or vision coverage with 50 percent or more employer-paid premium.

The timeframe for requesting a QLE change is from 31 days before to 60 days after the event. There are two exceptions:

- There is no time limit for a change based on moving from a regional plan's service area and
- You cannot request a new enrollment based on a QLE before the QLE occurs, except for enrollment because of the loss of dental or vision insurance. You must make the change no later than 60 days after the event.

Enrollments and enrollment changes made based on a QLE are effective on the first day of the pay period following the one in which BENEFEDS receives the enrollment or change. BENEFEDS will send you confirmation of your new coverage effective date.

Once you enroll in a plan, your 60-day window for that type of plan ends, even if 60 calendar days have not yet elapsed. That means once you have enrolled in either plan, you cannot change or cancel that particular enrollment until the next open season, unless you experience a QLE that allows such a change or cancellation.

VA Exception for Cancellation

Generally, you may cancel your enrollment only during the annual open season. However, if you are a FEDVIP enrollee paying premiums on a **post-tax basis**, and you, your family member, or TEI family member becomes eligible for VA dental or vision benefits, then you **may** change your enrollment type or cancel your enrollment within 60 days of receiving notification of VA dental or vision eligibility. This 60-day period may fall outside of open season. VA dental or vision eligibility documentation must be submitted to OPM via the BENEFEDS mailbox (benefedsportal@opm.gov) within 60 days of notification to support the FEDVIP enrollment change or cancellation.

Your cancellation is effective at the end of the day before the date OPM sets as the open season effective date. An eligible family member's coverage also ends upon the effective date of the cancellation.

If you are a FEDVIP enrollee paying premiums on a **pre-tax basis**, and you, your family member, or TEI family member becomes eligible for VA dental or vision benefits, then you **may not** change or cancel your FEDVIP enrollment until the next open season.

FEDVIP enrollees can verify if they are paying their premiums on a pre- or post- tax basis by contacting BENEFEDS at 1-877-888-3337, TTY number: 711, International: 1-571-730-5942

When Coverage Stops

Coverage ends for active and retired Federal, U.S. Postal employees, and TRICARE-eligible individuals when you:

- no longer meet the definition of an eligible employee, annuitant, or TRICARE-eligible individual;
- as a Retired Reservist you begin active duty;

- as the sponsor or primary enrollee leaves active duty;
- begin a period of non-pay status or pay that is insufficient to have your FEDVIP premiums withheld and you do not make direct premium payments to BENEFEDS;
- are making direct premium payments to BENEFEDS and you stop making the payments;
- cancel the enrollment during open season

Coverage for a family member ends when:

- you as the enrollee lose coverage; or
- the family member no longer meets the definition of an eligible family member.

Continuation of Coverage

Under FEDVIP, there is no 31-day extension of coverage. The following are also NOT available under the FEDVIP plans:

- Temporary Continuation of Coverage (TCC);
- spouse equity coverage; or
- right to convert to an individual policy (conversion policy).

FSAFEDS/High Deductible Health Plans and FEDVIP

If you are planning to enroll in an FSAFEDS Health Care Flexible Spending Account (HCFSA), Limited Expense Health Care Flexible Spending Account (LEX HCFSA), or any flexible spending account, you should consider how coverage under a FEDVIP plan will affect your annual expenses, and thus the amount that you should allot to an FSAFEDS account. Please note that insurance premiums are not eligible expenses for either type of FSA.

Please review IRS - Publication 969, Health Savings Accounts and Other Tax-Favored Health Plans (<https://www.irs.gov/forms-pubs/about-publication-969>) for additional information about carryover and contribution amounts for the upcoming tax year. If you have an HCFSA or LEX HCFSA FSAFEDS account and you have not exhausted your funds by December 31st of the plan year, FSAFEDS can automatically carry over a set maximum amount of unspent funds into another health care or limited expense account for the subsequent year. To be eligible for carryover, you must be employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31st. You must also actively re-enroll in a health care or limited expense account during the next open season to be carryover eligible. Your re-enrollment must meet the minimum contribution amount for the plan year. If you do not re-enroll, or if you are not employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31st, your funds will not be carried over.

Because of the tax benefits an FSA provides, the IRS requires that you forfeit any money for which you did not incur an eligible expense and file a claim in the time permitted. This is known as the “Use-it-or-Lose-it” rule. Carefully consider the amount you will elect.

Current FSAFEDS participants must re-enroll to participate in the program next year. See <https://www.fsafeds.gov> or call 1-877-FSAFEDS (372-3337) or TTY: 1-866-353-8058.

Note: FSAFEDS is not open to retired employees or to TRICARE eligible individuals.

If you enroll or are enrolled in a high deductible health plan with a health savings account (HSA) or health reimbursement arrangement (HRA), you may use your HSA or HRA to pay for qualified dental/vision costs not covered by your FEHB/PSHB and/or FEDVIP plans.

Section 3 How You Obtain Care

Identification Cards/ Enrollment Confirmation

You receive an identification card (two cards if you enroll under the Self Plus One or Self and Family options), which will serve as confirmation of your enrollment. The ID card is neither a guarantee of benefits nor does your provider need it to render dental services. Your dentist may call 1-877-394-8224 to confirm your enrollment in the plan and the benefits available to you.

It is important to bring your FEDVIP and FEHB/PSHB identification cards to every dental appointment because most FEHB/PSHB plans offer some level of dental benefits separate from your FEDVIP coverage. Presenting both identification cards can ensure that you receive the maximum allowable benefit under each Program, along with accurate and timely claims processing.

If you require a replacement ID card, you are able to print your ID card through the *MyDentalBenefits*' portal at www.uccifedvip.com or via our Mobile app. You may also contact us at 1-877- 394-8224 to request a new card.

Where You Get Covered Care

You can receive care from any licensed dentist in the United States. However, when you use a participating network provider, your out-of-pocket costs may be lower.

Plan Providers

We list plan providers in the provider directory, which we update weekly. The list is available on our website at: www.uccifedvip.com or by calling FEDVIP customer service at 1-877-FYI-UCCI (1-877-394-8224).

In-Network

In-network care is provided by a participating dentist in United Concordia's Federal Dental Program Network. You can locate a participating provider by visiting our website at www.uccifedvip.com, or by calling FEDVIP customer service at 1-877-FYI-UCCI (1-877-394-8224)

Out-of-Network

You may obtain care from any licensed dentist. If the dentist is not part of our network, benefits will be considered Out-of-Network, and you will be responsible for the out-of-network coinsurance plus the difference between the allowed amount and the out-of-network provider's charge.

Emergency Services

Emergency services are dental services needed to relieve pain or prevent the worsening of a condition which may be caused by a delay in treatment. All expenses for emergency services are payable as any other expense. If you receive services from an out-of-network dentist, benefits will be paid under the out-of-network plan provisions. You are responsible for the difference between the allowed amount and the provider's charge.

Pre-Determination

Pre-determination is not necessary under this Plan. However, we do recommend that you request a pre-determination of benefits for more extensive treatments. This will assure both you and your dentist that the service is covered and indicate how much you can expect to pay out-of-pocket.

FEHB/PSHB First Payor

When you visit a provider who participates with both your FEHB/PSHB plan and your FEDVIP plan, **the FEHB/PSHB plan will pay benefits first**. The FEDVIP plan allowance will be the prevailing charge in these cases. You are responsible for the difference between the FEHB/PSHB and FEDVIP benefit payments and the FEDVIP plan allowance. United Concordia Dental is responsible for facilitating the process with the FEHB/PSHB first payor. United Concordia will coordinate benefits not to exceed members responsibility and will not pay more than the member is responsible for.

Please ask your dentist to submit the charges to your FEHB/PSHB plan. Please note that it is not your responsibility to submit any claim information or an explanation of benefits (EOB) to United Concordia Dental.

United Concordia Dental may send you a letter asking for other insurance carrier information if we have an indication of other insurance (but not the carrier details) in order to determine the first payor. Any claims received during the questionnaire process are pended for return of the letter providing other insurance information.

It is important to bring your FEDVIP and FEHB/PSHB identification cards to every dental appointment because most FEHB/PSHB plans offer some level of dental benefits separate from your FEDVIP coverage. Presenting both identification cards can ensure that you receive the maximum allowable benefit under each Program.

First Payor Example:

When the covered individual has FEHB/PSHB coverage that offers dental benefits, United Concordia is always secondary to the FEHB/PSHB carrier

Example 1 - Services were performed by an In-Network provider:

Provider submitted charge for a one surface amalgam filling: \$105.00
In-Network allowance of the Primary Plan: \$65.00
FEHB/PSHB paid as primary carrier (\$24.00 applied to coinsurance): \$41.00 (\$65.00 - \$24.00)
United Concordia Allowance: \$60.00
Payment by United Concordia: \$19.00 (\$60.00 - \$41.00)
Patient's responsibility to the dentist: \$0.00 (\$60.00 - \$41.00 - \$19.00)

Example 2 - Services were performed by an Out-of-Network provider

Provider submitted charge for a one surface amalgam filling: \$105.00
In-Network allowance of the Primary Plan: N/A
FEHB/PSHB paid as primary carrier (\$24.00 applied to coinsurance): \$41.00
United Concordia's Maximum Allowable Charge: \$80.00
United Concordia benefits payable in the absence of other insurance (United Concordia as primary): \$48.00 (\$80.00 at 60%)
Payment by United Concordia: \$48.00
Patient's responsibility to the provider: \$16.00 (\$105.00 - \$41.00 - \$48.00). Since the provider does not participate in either network, the provider is allowed to balance bill the member.

Coordination of Benefits

United Concordia Dental coordinates benefit payments with non-FEHB/non-PSHB carriers. We determine which non-FEHB/non-PSHB coverage is primary according to National Association of Insurance Commissioners' (NAIC) guidelines. We also coordinate benefit payments with any other group health benefits coverage you may have and the payment of dental costs under no-fault insurance that pays benefits without regard to fault.

United Concordia Dental is the primary payor if we do not have an indication of other insurance on our enrollment files and there is no indication of other insurance on the claim form.

COB Examples:

Example 1 - When United Concordia is secondary to a non-FEHB/non-PSHB dental carrier and services were performed by an In-Network provider

Provider submitted charge for a two surface amalgam filling: \$131.00
In Network allowance of the Primary Plan: \$70.00
Payable by Primary Carrier (\$5.00 applied to coinsurance): \$65.00 (\$70.00 - \$5.00)
United Concordia Allowance: \$60.00
Payable by United Concordia (The total payment by the primary and secondary plan cannot exceed the provider charge): \$5.00 (\$70.00 - \$65.00)
Patient responsibility: \$0.00 (\$70.00 - \$65.00 - \$5.00)

Example 2 - When United Concordia is secondary to a non-FEHB/non-PSHB dental carrier and services were performed by an Out-of-Network provider

Provider submitted charge for a two-surface amalgam filling: \$131.00

In Network allowance of the Primary Plan: N/A

Payable by Primary Carrier (\$5.00 applied to coinsurance): \$65.00

United Concordia's Maximum Allowable Charge: \$80.00

United Concordia benefit in absence of other insurance (United Concordia as primary): \$48.00 (\$80.00 at 60%)

Payable by United Concordia (The total payment by the primary and secondary plan cannot exceed the provider charge): \$48.00

Patient responsibility: \$18.00 (\$131.00 - \$65.00 - \$48.00). Since the provider does not participate in either network, the provider is allowed to balance bill the member.

Rating Areas

Your rates are determined based on where you live. This is called a rating area. If you move, you must update your address through BENEFEDS. Your rates may change because of the move.

Limited Access Area

If you live in an area with limited access to a participating provider and you receive covered services from an out-of-network provider, we could pay benefits based on our in-network plan allowance and coinsurance. This is dependent on the applicable co-insurance, plan maximums and other benefit features that apply. You are responsible for any difference between the amount billed and our payment. To find out if you live in a limited access area, please call United Concordia's customer service representatives at 1-877-FYI-UCCI (1-877-394-8224) Monday - Friday, 8 a.m. to 8 p.m., EST.

Alternate Benefit

The alternate benefit provision determines how payment is made when there are two or more clinically acceptable covered dental services available to satisfactorily correct the same dental condition. This provision states that United Concordia provides the allowance for the less expensive service available, while still ensuring that you receive the quality care you need. Should the member and the dentist choose the more expensive treatment, the member is responsible for the additional charges beyond the allowance for the alternate service, even if an in-network provider.

Situations where this provision may apply include a composite filling which may be the alternate benefit for a porcelain/ceramic inlay.

Dental Review

United Concordia Dental reviews claims that report single crowns, onlays, fixed partial dentures (bridges), removal of impacted teeth with complications, surgical periodontal services (such as gingivectomy, gingival flap, crown lengthening, osseous surgery and periodontal bone grafts), scaling and root planing or services that are of a complex or questionable nature. Your dentist must submit supporting documentation such as x-rays or charting that are required for certain services.

Section 4 Your Cost For Covered Services

This is what you will pay out-of-pocket for covered care:

Coinsurance

Coinsurance is the percentage of our allowance that you must pay for your care. The allowance will be based on United Concordia Dental's Maximum Allowable Charge.

For the **High Option** your coinsurance is as follows:

Class A

In-Network High Option: 0%

Out-of-Network High Option: 20% plus the difference between our allowance and the provider's charge

Class B

In-Network High Option: 20%

Out-of-Network High Option: 40% plus the difference between our allowance and the provider's charge

Class C

In-Network High Option: 50%

Out-of-Network High Option: 60% plus the difference between our allowance and the provider's charge

Orthodontics

In-Network High Option: 50%

Out-of-Network High Option: 50% plus the difference between our allowance and the provider's charge

For the **Standard Option** your coinsurance is as follows:

Class A

In-Network Standard Option: 0%

Out-of-Network Standard Option: 40% plus the difference between our allowance and the provider's charge

Class B

In-Network Standard Option: 45%

Out-of-Network Standard Option: 60% plus the difference between our allowance and the provider's charge

Class C

In-Network Standard Option: 65%

Out-of-Network Standard Option: 80% plus the difference between our allowance and the provider's charge

Orthodontics

In-Network Standard Option: 50%

Out-of-Network Standard Option: 50% plus the difference between our allowance and the provider's charge

Annual Benefit Maximum

The High Option Plan includes an Unlimited annual benefit maximum per covered person for combined Class A, B and C covered services, excluding implant related services. Implant related Services have a \$2500 annual maximum per covered person.

The Standard Option Plan includes a \$1,000 annual benefit maximum per covered person for combined Class A, B and C covered services.

Lifetime Benefit Maximum	The High Option Plan includes a lifetime benefit maximum of \$3,000 per covered person for Class D orthodontic services and a lifetime benefit maximum of \$2,000 per covered person for dental accident services. Once you reach this amount, you are responsible for all charges for these services. The Standard Option Plan includes a lifetime benefit maximum of \$1,500* per covered person for Class D orthodontic services and a lifetime benefit maximum of \$2,000 per covered person for dental accident services. Once you reach this amount, you are responsible for all charges for these services. *Note - United Concordia Dental members in an active orthodontic treatment plan before January 1, 2026, will retain their existing 2025 orthodontia lifetime maximum benefit, even if treatment continues into 2026.
In-Network Services	In-network services are services performed by a dentist who participates with United Concordia's Federal Dental Program Network. Using a participating dentist may result in lower out-of-pocket-costs. You can locate a participating dentist by visiting our website at www.uccifedvip.com or by calling 1-877-FYI-UCCI (1-877-394-8224).
Out-of-Network Services	You may use any licensed dentist; however, benefits received out-of-network could result in higher out-of-pocket costs. A member will pay the coinsurance plus the difference between the allowance amount and the out of network provider's charge. If you live in a limited access area, your benefits will be paid at the in-network coinsurance level for covered services. You are responsible for any difference between the amount billed and our payment. You can determine if you live in an underserved area by visiting our website at www.uccifedvip.com or by calling 1-877-FYI-UCCI (1-877-394-8224).
Emergency Services	All expenses for emergency services are payable as all other expenses. If you receive services from an out-of-network provider, you will be responsible for the difference between the allowed amount and the provider's charge.
Dental Accident	A dental accident is an injury to sound natural teeth and supporting structures caused by a violent external force such as a fall or blow to the mouth. United Concordia pays 100% of the program allowance for covered services specifically related to accidental dental injuries up to a lifetime maximum of \$2,000. This benefit is separate from the services through the High Option unlimited annual maximum or \$2500 annual implant maximum, and the Standard Option \$1,000 annual maximum. Further, benefits paid for covered services related to the accident(s) in excess of \$2,000 accrue to the annual benefit maximum. For a complete list of services covered as dental accident services, call 1-877-FYI-UCCI (1-877-394-8224).
Plan Allowance	The plan allowance is the amount we allow for a specific procedure. When you visit an in-network United Concordia Federal Dental Program network provider, your out-of-pocket cost is limited to the difference between the plan allowance and our payment (co-insurance). When you visit an out-of-network dentist, you are responsible for the difference between the plan allowance and our payment (co-insurance) plus the difference up to the provider charge.
In-Progress Treatment	In-progress treatment for dependents of retiring active-duty service members who were enrolled in the TRICARE Dental Program (TDP) will be covered for the 2026 plan year; regardless of any current plan exclusion for care initiated prior to the enrollee's effective date.

This requirement includes assumption of payments for covered orthodontia services up to the FEDVIP policy limits, and full payment where applicable up to the terms of FEDVIP policy for covered services completed (but not initiated) in the 2026 plan year such as crowns and implants.

Section 5 Dental Services and Supplies

Not covered:

- Implant services other than those listed above.
- Cast unilateral removable partial dentures
- Personalization, precious metal bases, and other specialized techniques
- Replacement of dentures that have been lost, stolen or misplaced
- Removable or fixed prostheses prescribed/initiated prior to the effective date of coverage or inserted/cemented after the coverage ending date

Class D Orthodontic

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are necessary for the prevention, diagnosis, care or treatment of a covered condition and meet generally accepted dental protocols.
- There is no calendar year deductible for the plan benefits.
- The initial payment will be the equivalent of 25% of our liability. The remaining balance will be paid in quarterly increments throughout the course of active orthodontic treatment
- **If orthodontic treatment is already in progress at the time of eligibility, the orthodontic benefit will be prorated based on the number of months remaining in the treatment plan, subject to coinsurance and the lifetime maximum.**
- In progress orthodontic treatment for dependents of retiring TDP enrollees will be covered for the 2026 plan year. This is regardless of any current plan exclusions for care initiated prior to the enrollee's effective date. **If orthodontic treatment is already in progress at the time of eligibility, the orthodontic benefit will be prorated based on the number of months remaining in the treatment plan, subject to coinsurance and the lifetime maximum.**
- United Concordia Dental will pay 50% of our allowance, up to the lifetime maximum for orthodontic treatment. If a member chooses a more expensive treatment option (such as clear aligners), the member is responsible for additional charges beyond our allowance, even if the provider is in-network. To determine what is most cost effective, we recommend a predetermination estimate.
- High Option lifetime maximum for orthodontic services (Class D) is \$3,000 per covered person.
- Standard Option lifetime maximum for orthodontic services (Class D) is \$1,500* for dependent children to age 19.

*Note - United Concordia Dental Standard Option members in an active orthodontic treatment plan before January 1, 2026, will retain their existing 2025 orthodontia lifetime maximum benefit, even if treatment continues into 2026.

You Pay:

High Option

- **In-Network: 50% of our network allowance**
- **Out-of-Network: 50% coinsurance plus the difference between the allowed amount and the provider's charge.**

Standard Option

- **In-Network: 50% of our network allowance**
- **Out-of-Network: 50% coinsurance plus the difference between the allowed amount and the provider's charge.**

Section 7 General Exclusions – Things We Do Not Cover

The exclusions in this section apply to all benefits. **Although we may list a specific service as a benefit, we will not cover it unless we determine it is necessary for the prevention, diagnosis, care, or treatment of a covered condition.**

We do not cover the following:

- Any dental service or treatment not specifically listed as a covered service;
- Services and treatment not prescribed by or under the direct supervision of a dentist, except in those states where dental hygienists are permitted to practice without supervision by a dentist. In these states, we will pay for eligible covered services provided by an authorized dental hygienist performing within the scope of their license and applicable state law;
- Services and treatment which are experimental or investigational;
- Services and treatment which are for any illness or bodily injury which occurs in the course of employment if benefits or compensation is available, in whole or in part, under the provision of any legislation of any governmental unit. This exclusion applies whether or not you claim the benefits or compensation;
- Services and treatment for which the cost is later recovered in a lawsuit or in a compromise or settlement of any claim, except where prohibited by law;
- Services and treatment received from a dental or medical department maintained by or on behalf of an employer, mutual benefit association, labor union, trust, or similar person or group;
- Services and treatment initiated/prescribed or performed prior to your effective coverage date, orthodontic treatment prorated;
- Services and treatment incurred after the termination date of your coverage even if prescribed/initiated while covered;
- Services and treatment which are not dentally necessary, or which are not recommended or approved by the treating dentist (Services determined to be unnecessary or which do not meet accepted standards of dental practice are not billable to you by a participating dentist unless the dentist notifies you of your liability prior to treatment and you choose to receive the treatment. Participating dentists should document such notification in their records.);
- Services and treatment not meeting accepted standards of dental practice;
- Services and treatment performed by a debarred provider;
- Services and treatment resulting from your failure to comply with professionally prescribed treatment;
- Any charges for failure to keep a scheduled appointment;
- Any services that are strictly cosmetic in nature including, but not limited to, charges for personalization or characterization of prosthetic appliances;
- Services related to the diagnosis and treatment of Temporomandibular Joint Dysfunction (TMJD);
- Services or treatment provided as a result of intentionally self-inflicted injury or illness;
- Services or treatment provided as a result of injuries suffered while committing or attempting to commit a felony, engaging in an illegal occupation, or participating in a riot, rebellion or insurrection;
- Office infection control charges;
- Charges for copies of your records, charts or x-rays, or any costs associated with forwarding/mailing copies of your records, charts or x-rays;
- State or territorial taxes on dental services performed;
- Adjunctive dental care services that may be covered under the FEHB/PSHB or other medical insurance even when provided by a general dentist or oral surgeon;
- Services or treatment provided by a member of your immediate family or a member of the immediate family of your spouse;

- Those submitted by a dentist which are for the same services performed on the same date for the same member by another dentist;
- Those provided free of charge by any governmental unit, except where this exclusion is prohibited by law;
- Those for which the member would have no obligation to pay in the absence of this or any similar coverage;
- Those which are for unusual procedures and techniques and may not be considered generally accepted practices by the American Dental Association;
- Those performed by a dentist who is compensated by a facility for similar covered services performed for members;
- Plaque control programs, oral hygiene instruction, and dietary instructions;
- Services to alter vertical dimension and/or restore or maintain the occlusion. Such procedures include, but are not limited to, equilibration, periodontal splinting, full mouth rehabilitation, restoration for misalignment of teeth, or restoring tooth structure from attrition, erosion or abrasion;
- Gold foil restorations;
- Treatment or services for injuries resulting from the maintenance or use of a motor vehicle if such treatment or service is paid or payable under a plan or policy of motor vehicle insurance, including a certified self-insurance plan;
- Treatment of services for injuries resulting from war or act of war, whether declared or undeclared, or from police or military service for any country or organization;
- Hospital costs or any additional fees that the dentist or hospital charges for treatment at the hospital (inpatient or outpatient);
- Oral sedation;
- All major prosthodontic services are combined under one replacement limitation under the plan. Benefits for prosthodontics services are combined and limited to one ever 5 years. For example, if benefits for a partial denture are paid, this includes benefits to replace all missing teeth in the arch. No additional benefits for the arch would be considered until the 5 year replacement limit was met.
- Procedures that are: part of a service but are reported as separate services; or reported in a treatment sequence that is not appropriate; or misreported or that represent a procedure other than the one reported.

Section 8 Claims Filing and Disputed Claims Processes

How to File a Claim For Covered Services

A United Concordia participating Federal Dental Program Network dentist will file the claim for you. If you do need to file a claim, you and the dentist should complete the appropriate claim form sections and mail the claim to the address below. You can download a claim form from our website at www.uccifedvip.com.

United Concordia Companies, Inc.
PO. Box 69416
Harrisburg, PA 17106-9416

Deadline For Filing Your Claim

Your United Concordia Federal Dental Program Network participating dentist or you must file a claim within 12 months after the month in which a service is provided.

Disputed Claims Process

Follow this disputed claims process if you disagree with our decision on your claim or request for services. **The FEDVIP law does not provide a role for OPM to review disputed claims.**

Disputed Claims Steps

1. Ask us in writing to reconsider our initial decision. You must file an appeal with us within 180 days of receipt of the initial decision. Please submit with your appeal, the appropriate written comments from the treating dentist, supporting documents, dental records and other information relating to the claim(s).
2. We have 60 days from the date we receive your request to review the appeal in a thorough, appropriate and timely manner to ensure that you are afforded a full and fair review of claims for benefits.
3. If the dispute is not resolved through the reconsideration process, you may request a review of the denial. You must file the appeal to us within 30 days of the receipt of the first review decision. Failure to do so will disqualify the appeal of your claim. Any dentist advisor involved in reviewing the appeal will be different from and not in a subordinate position to the dentist advisor involved in the initial benefit determination.
4. If you do not agree with our final decision, you may request an independent third party, mutually agreed upon by us and OPM, to review the decision. Dental services or treatments not specifically listed as a covered service in this brochure are not eligible for a third party review. You must file the appeal in writing to United Concordia Dental within 30 days of receipt of the original appeal decision. Failure to do so will disqualify the appeal of your claim. The appeal should be mailed, with the appropriate written comments from the treating dentist, supporting documents, dental records and other information relating to the claim(s) to:

United Concordia Companies, Inc.
Member Appeals Department
P.O. Box 69420
Harrisburg, PA 17106-9420

The independent third party will thoroughly review the appeal and provide the decision to United Concordia Dental who will in turn respond to you in writing within 60 days of receipt of the third-party review request. The decision of the independent third party is binding and is the final review of your claim. This decision is not subject to judicial review.

Section 9 Definitions of Terms We Use in This Brochure

Annual Benefit Maximum	The maximum annual benefit that you can receive per person each calendar year. The High Option Plan includes an annual benefit maximum of Unlimited and a \$2,500 annual benefit maximum for Implant Services, per covered person. The Standard Option Plan includes a \$1,000 annual benefit maximum per covered person. Once you reach this amount, you are responsible for all charges.
Annuitants	Federal retirees (who retired on an immediate annuity), and survivors (of those who retired on an immediate annuity or died in service) receiving an annuity. This also includes those receiving compensation from the Department of Labor's Office of Workers' Compensation Programs, who are called compensationers. Annuitants are sometimes called retirees.
BENEFEDS	The enrollment and premium administration system for FEDVIP.
Benefits	Covered services or payment for covered services to which enrollees and covered family members are entitled to the extent provided by this brochure.
Class A Services	Basic services, which include oral examinations, prophylaxis, diagnostic evaluations, sealants and x-rays.
Class B Services	Intermediate services, which include restorative procedures such as fillings, prefabricated stainless steel crowns, periodontal scaling, tooth extractions, and denture adjustments.
Class C Services	Major services, which include endodontic services such as root canals, periodontal services such as gingivectomy, major restorative services such as crowns, oral surgery, bridges and prosthodontic services such as complete dentures.
Class D Services	Orthodontic services.
Dental Accident	An injury to sound natural teeth and supporting structures caused by a violent external force such as a fall or blow to the mouth.
Enrollee	The Federal employee, annuitant, or TRICARE-eligible individual enrolled in this plan.
FEDVIP	Federal Employees Dental and Vision Insurance Program.
Generally Accepted Dental Protocols	"Conventional" methods of evaluation, diagnosis, prevention and/or treatment of diseases, conditions and/or dysfunctions relating to the oral cavity and its associated structures.
In-Progress Treatment	Dental services that were initiated/prescribed or performed in 2025 that will be completed in 2026.
Plan Allowance	The plan allowance is the amount we allow for a specific procedure. When you visit an in-network United Concordia Dental provider, your out-of-pocket cost is limited to the difference between the plan allowance and our payment. When you visit an out-of-network dentist, you are responsible for the difference between the plan allowance and our payment plus the difference up to the submitted/approved charges.
Pre-Determination	Pre-determination is not necessary under this Plan. However, we do recommend that you request a pre-determination of benefits for more extensive treatments. This will assure both you and your dentist that the service is covered and indicate how much you can expect to pay out-of-pocket.
Preexisting Condition	Any disease or condition of the teeth or supporting structures which were present on the effective date of coverage.
Rating Areas	Your rates are determined based on where you live. This is called a rating area. If you move, you must update your address through BENEFEDS. Your rates might change because of the move.

Sponsor	Generally, a sponsor means the individual who is eligible for medical or dental benefits under 10 U.S.C. chapter 55 based on their direct affiliation with the uniformed services (including military members of the National Guard and Reserves).
TEI certifying family member	Under circumstances where a sponsor is not an enrollee, a TEI family member may accept responsibility to self-certify as an enrollee and enroll TEI family members
TRICARE-eligible individual (TEI) family member	TEI family members include a sponsor's spouse, unremarried widow, unremarried widower, unmarried child, and certain unmarried persons placed in a sponsor's legal custody by a court. Children include legally adopted children, stepchildren, and pre-adoptive children. Children and dependent unmarried persons must be under age 21 if they are not a student, under age 23 if they are a full-time student, or incapable of self-support because of a mental or physical incapacity.
We/Us	United Concordia Dental.
You	Enrollee or eligible family member.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Dental and Vision Insurance Program premium.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your Plan identification (ID) number over the telephone or to people you do not know, except to your providers, Plan, BENEFEDS, or OPM.
- Let only the appropriate providers review your clinical record or recommend services.
- Avoid using providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review your explanation of benefits (EOBs) statements.
- Do not ask your provider to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider and ask for an explanation. There may be an error.
 - If the provider does not resolve the matter, call us at 1-877-968-7455 and explain the situation.
- Do not maintain as a family member on your policy:
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
 - Your child over age 22 (unless he/she is disabled and incapable of self- support).

If you have any questions about the eligibility of a dependent, please contact BENEFEDS.

Be sure to review Section 1, Eligibility, of this brochure, prior to submitting your enrollment or obtaining benefits.

Fraud or intentional misrepresentation of material fact is prohibited under the Plan. You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEDVIP benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the plan, or enroll in the Plan when you are no longer eligible.
